

# The Principles of Labour Banks

“Labour Banks are financial cooperatives that cultivate the dreams and ideals of our workers.”

“Labour Banks consider their objectives to be twofold: promote economic, welfare, environmental and cultural activities by their members; and create, by working together, a society in which all people can live in happiness.”

“Labour Banks are formed from worker-based organizations and organizations that keep their doors open to a wide range of citizens. This network of member organizations is the essence of the Labour Banks.”

“Members participate in the administration of Labour Banks as equals, seeking to improve the activities and projects of the banks. Sincerity, fairness, and openness are key Labour Bank principles. By their commitment to sound management, Labour Banks will endeavor to keep faith with their members.”
